Basis and Scope of Cover

The Proposal made by you is the basis of this contract. We will not pay benefits or arrange for assistance if any part of your Proposal, or any further changes you ask to make to this Policy are deliberately fraudulent. This Policy, the Proposal and the Schedule should be read together and form the contract of insurance. They tell you which Sections apply to your Policy and describe your cover.

We will provide Insurance within the terms of this Policy for those Sections specified in the Schedule in respect of events occurring during the Period of Insurance for which you pay and we agree to accept a premium.

On receipt of your Policy

We advise that you read this Policy and the attached Schedule carefully to make sure that this Policy provides you the protection you require. The Schedule specifies the cover you have selected; it is your evidence of insurance and may be required in the event of a claim. Please return the Schedule immediately to us if any details are mentioned incorrectly.

Cooling-off Period

Please ensure that your Policy provides the cover what you want. If not, please inform us immediately. If you return it to us within 14 days of its receipt, we will refund the Premium less AED 50 for administrative expenses, provided you have not made a claim during the trial period.

Changes that affect the Policy

You must inform us immediately if at any time during the Period of Insurance any of the information on which this Insurance is based changes significantly; for example, if anything happens to change the location, use, nature, quantity or value of property insured.
